Warrant for the Milton Water District

STATE OF NEW HAMPSHIRE

To the inhabitants of the Milton Water District, in the Town of Milton, qualified to vote in the district affairs:

You are notified to meet in the Engine House Hall in said district on Saturday, the 16th day of March, 1957 at seven thirty o'clock in the afternoon to act on the following subjects:

Article 1. To choose a moderator for the ensuing year.

Article 2. To choose a clerk for the ensuing year.

Article 3. To choose a commissioner for the ensuing year.

Article 4. To choose a treasurer for the ensuing year.

Article 5. To raise and appropriate a sum of money not to exceed $1,500.00 to pay for retirement of serial bonds.

Article 6. To raise and appropriate a sum of money not to exceed $2,500.00 to pay for retirement and interest on notes for pipe line relocation, and water tank reconditioning.

Article 7. To transact any other business that may legally come before said meeting.

Given under our hand and seal at said Milton this 23rd day of February, 1957.

EARL E. RAMSEY,
STANLEY C. TANNER,
FRANK E. McINTIRE,
Commissioners.

A true copy of Warrant—Attest:

EARL E. RAMSEY,
STANLEY C. TANNER,
FRANK E. McINTIRE,
Commissioners.

Report of the Commissioners of the Milton Water District

Your Commissioners submit the following report for the year 1956.

It has been a year of mostly routine work, a few small leaks developed but were quickly repaired. There were no freezes during the year, and no new extensions.

A representative of the Dixie Tank Co. made their first annual inspection of the tank, under their 12 year guarantee and reported every thing O. K. at that time.

William Warnake who had been superintendent for several years resigned in February owing to poor health, and was replaced by Maynard Benton.

Earl E. Ramsey, chairman of the board this year has been ill the latter half of the year, we are all hoping he will soon be back with us.

This is the 20th anniversary of your water system, and so far we believe it has served the community well by furnishing a good quality of water for consumption, commercial, and fire protection, and an adequate supply for our present needs.

We have not increased the price of water to the users as practically all other suppliers of water have, to meet the present higher costs, but have continued the pricinct tax to pay off the bond issue and notes, the last of which will expire in 1961.

EARL E. RAMSEY,
STANLEY C. TANNER,
FRANK E. McINTIRE,
Commissioners.

Financial Report of the Milton Water District

Fiscal Year Ended December 31, 1956

Report of the Milton Fire Department

The department answered the following calls this past year.

4 building fires
9 chimney fires
2 brush fires
1 gasoline pump
1 oil burner

The department answered one call to Wakefield.

We in turn had two stand-by trucks at the station supplied by Rochester; once for the New England Box fire and once for the Wakefield fire.

We had fewer fires this year but some were more difficult to contain and subdue.

Respectfully submitted,

HERBERT A. DOWNS,
Chief Enginer, M. F. D.

To the Selectmen:

Each year there is a demand for a statement on forest fires for publication in the annual town report. It is believed they serve a good purpose locally in preventing fires. The following is offered with the respectful request for publication in your town report.

Sincerely,

R. W. SMITH,
District Fire Chief.

Your Town Dump

Use It Freely *Care For It*

Your town dump has been set up for your personal convenience. It provides a suitable place where you can dispose of the large amounts of dangerous, inflammable waste material and other useless items which accumulate around your household and local stores, brush, etc., cut on your property. The town dump has become a valuable and indispensable asset in modern community life.

The most successful town dumps are supervised—regular days provided for their use and inflammable material consistently burned. The town dump which receives no attention, where waste material is scattered about without supervision of any description, soon becomes a community menace and a liability rather than an asset.

Many people still burn debris around their homes. A large number of such fires get out of control causing unnecessary damage and expense to the burner. Why burn at home? Make use of your town dump and eliminate the hazard of burning. It will be easier for you—personally and financially.

If, however, you do burn on your premises:

1. Secure a permit from your local forest fire warden—the law requires it. The warden won't refuse you if conditions are safe.
2. Be sure to properly supervise your burning. Don't leave it.
3. Make certain your fire is DEAD OUT before leaving it.

Save yourself much possible difficulty.

Use Your Dump Freely *Help Keep It Safe*

Number of local fires 1
Number of acres burned 1½
Number of permits issued 0

R. W. SMITH,
District Fire Chief.
HERBERT DOWNS,
Forest Fire Warden.

Warrant of the Milton Mills Fire District

OFFICERS

Commissioners

Willam J. Madden Robert Page

Frank Taylor

Clerk

Robert Lumbard

Treasurer

Chester Stevens

Moderator

Lewis P. Piper

To the inhabitants of the Milton Mills Fire District in the Town of Milton, qualified to vote in District Affairs:

You are hereby notified to meet in the Fire House in said District on Saturday, the 16th day of March, 1957, at 8 o'clock P. M. to act on the following subjects:

1. To choose a Moderator for the following year.

2. To choose a Clerk for the following year.

3. To choose a Treasurer for the following year.

4. To choose a Commissioner for three years.

5. To choose a Commissioner for two years.

6. To see what sum of money the District will vote to pay the Chief, the Assistant Chief, the First and Second Engineers, and the Firemen, in addition to the amount allowed by law, and the hourly rate of pay to the aforementioned men while fighting fire in the District, in the Town, in the surrounding towns, and to pass ony other vote or votes relative thereto.

7. To see if the District will vote to raise and appropri-

ate a sum of money, not to exceed $1,760.00 to pay the operating expenses for the ensuing year and to pass any other vote or votes relative thereto.

8. To see if the District will vote to raise and appropriate $240.00 for fixed charges on alarm system, four red phones and one black phone, and to pass any other vote or votes relative thereto.

9. To see if the District will vote to authorize the Commissioners to borrow on notes of the District if necessary, in anticipation of 1957 taxes or pass any other vote or votes relative thereto.

10. To transact any other business that may legally come before this meeting.

Given under our hand and seal at Milton Mills, New Hampshire, on this 8th day of February, 1957.

FRANK N. TAYLOR,
ROBERT W. PAGE,
WILLIAM J. MADDEN,
Commissioners.

A true copy of the Warrant—Attest.

FRANK N. TAYLOR,
ROBERT W. PAGE,
WILLIAM J. MADDEN,
Commissioners.

Report of the Commissioners of the Miton Mills Fire District

The estimated operating expenses of the district for the year 1957 are as follows:

Salaries of the men and officers,	$800 00
Fuel for the fire house,	200 00
Insurance on men, fire and liability on trucks,	108 00
Telephone alarm system (4 red and 1 black phone)	240 00
Maintenance of trucks,	150 00
Electric bills,	50 00
Clerk's expense (postage etc.),	3 00
Treasurer's salary,	25 00
New equipment,	424 00
Total,	$2,000 00

FRANK N. TAYLOR,
ROBERT W. PAGE,
WILLIAM J. MADDEN,
Commissioners.

Report of the Milton Mills Fire Chief

To the Commissioners and Voters of the Milton Mills Fire district:

The following fires occurred in the district from January 1, 1956 through December 31, 1956.

1 dump fire
1 false alarm
1 chimney fire

The district also answered the following fires outside the district:

2 chimney fires (Acton, Me.)
2 building fires (Acton, Me.)
2 building fires (Wakefield, N. H.)
1 building fire (Milton)
1 forest fire (Milton)

You will notice by my report that we have been called upon for aid by other communities, these communities receive our aid, except Acton, Me., at no cost, and likewise we receive their aid at no cost, this is the Mutual Aid set up.

If Acton, Me., had an organized fire department we would have Mutual Aid agreement with them, but as they have no department or equipment we have to charge for our services.

We now have both trucks equipped with two-way radios. A new set was purchased this year for the forestry truck through Civil Defense and was purchased on one half (½) price.

As of December, 1957, foam equipment was purchased so that now we are set up to combat oil fires.

Again I wish to thank all voters and people of the district for their cooperation.

DAMON PIKE,
Chief.

ESTHER T. POLAND, R.N.

SCHOOL WARRANT

To the Inhabitants of the School district in the town of Milton qualified to vote in district affairs:

You are hereby notified to meet at the Town House in said district on the 9th day of March, 1957, at 7:30 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.

2. To choose a Clerk for the ensuing year.

3. To choose a Member of the School Board for the ensuing three years.

4. To choose a Treasurer for the ensuing year.

5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.

6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see if the district will authorize the school board to make application for and to receive, in the name of the district, such advances, grants-in-aid or other funds for educa-

tional purposes as may now or hereafter be forthcoming from the U.S. government and/or state agencies.

10. To see if the district will continue to include the sum of $2,500.00 to the established capital reserve fund for building a school Auditorium-Gymnasium in Milton.

11. To see if the School District will vote to raise and appropriate the sum of Two Hundred Dollars ($200.00) to defray expenses of a continuing study by the co-operative school district committee.

12. To transact any other business that may legally come before this meeting.

(For the official attested warrant, see posted copies.)

Given under our hands at said Milton this ———— day of February, 1957.

EMMA P. RAMSEY, Chairman
RALPH W. PUGH
PRISCILLA G. AYER
School Board.

A true copy of Warrant—Attest:

EMMA P. RAMSEY, Chairman
RALPH W. PUGH
PRISCILLA G. AYER
School Board.

FINANCIAL REPORT

For the Fiscal Year Ending June 30, 1956

RECEIPTS

ANNUAL REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Milton:

The General Electric Company slogan, "PROGRESS IS OUR MOST IMPORTANT PRODUCT," is one that could well apply to community planning. Consequently, I deviate from the usual annual report to focus attention to possibilities which are within the realm of the surrounding communities.

In 1949 there was not a single regional school in the State of Massachusetts. Today there are 27 regional school districts, made up of 80 towns. And 40 more towns presently are making plans to create 14 more such schools. THAT IS PROGRESS!

In our own State there are at present 5 regional schools and 16 more areas making surveys and planning to reorganize into Cooperative School Districts. The latest area to nearly complete this planning is HAMPTON and its surrounding communities. THAT IS PROGRESS!

WHAT A COOPERATIVE SCHOOL DISTRICT IS

To secure more efficient schools, two or more towns may merge their resources to form a Cooperative School District and build a new high school or an elementary school, depending on the need. This district is like any other, with an annual school meeting and a school board. The school board must have at least one member from each town. The cost of the school buildings is apportioned among the towns according to formulas established by law.

HOW A COOPERATIVE DISTRICT IS FORMED

1. Each town votes an interest in a cooperative district.
2. Each town votes to petition the State Board of Education to set up a proposed cooperative school district.
3. Each town must vote to accept the State Board's plan.

4. The State Board calls a meeting of the voters of all towns accepting the plan to vote it into formal operation and to elect the school board and other officers.

SIZE OF SCHOOL

A 400-500 pupil High School for Farmington, Milton, and Middleton can well be realized (grades 9-12) as the following tables indicate:

TABLE I

Projected normal enrollment for Farmington, Milton, and Middleton, revised as of Sept. 20th, 1956. Grades 9-12.

	1956	1957	1958	1959	1960	1961	1962
*Farmington	166	208	238	265	283	304	340
Milton	101	123	141	174	164	159	164

* Includes Middleton pupils.

This projection does not allow for decreases due to leaving school. It is believed that a new building with its broader curriculum will have greater retention powers and the effect of new residents will more than offset any decrease due to school mortality.

TABLE II

Net equalized valuation and borrowing capacity of each town.

	Net Equalized Valuation 1954	Borrowing Capacity 4½%	Borrowing Capacity 6%
*Farmington	$6,280,641	$167,622	$259,162
Milton	4,261,608	188,585	251,446
Middleton	342,035	15,392	20,522

* Borrowing capacity figures are less outstanding indebtedness.

TABLE III

The cost of the school building and operational expenses may be apportioned on the following basis: Plan 1, on the basis of net equalized valuation; Plan 2, 50% on net equalized valuation and 50% on average daily membership. For example:

	Plan 1	Plan 2
Farmington	58%	61%
Milton	39	35
Middleton	3	4

TABLE IV

The cost of a new $450,000 high school building and first year cost less 40% State Aid apportioned among the three towns for plan 1 and 2.

	Plan 1	Plan 2	Plan 1 1st Year	Plan 2 1st Year
Farmington	$261,000	$274,500	$15,660	$16,470
Milton	175,500	157,500	10,530	9,450
Middleton	13,500	18,000	810	1,080

TABLE V

	Plan 1 Building cost per $1000	Prin. & Int. per $1000	Plan 2 Building cost per $1000	Prin & Int. per $1000
Farmington	$2.46	$4.92	$2.59	$5.18
Milton	1.96	3.93	1.76	3.52
Middleton	1.45	2.90	1.93	3.86

CONCLUSION

The data submitted above is subjected to change due to rising cost, new and revised legislation both on the state and federal level.

To encourage the formation of such cooperative districts under existing legislation the state will pay up to 40% of the annual principal payments each year against debt. Ordinary school districts may receive only 20% on principal payments.

It is further encouraging that President Eisenhower has asked Congress to put up $1.3 billion in federal funds to help the states build schools. School building need is not only a local but national problem. The need for school rooms is so urgent that Congress indicates full support of Mr. Eisenhower's demands for federal building aid.

The Interim Committee which was appointed after the last school district meeting has met faithfully during the past year. It has indeed been a pleasure to work with them.

This brief analysis of the problem should make the citizens in these communities conscious of the potentialities that exist. At least a year is required to construct a high school plant

after a contract is made. Action must be rapid, if the desired end is to be attained.

It is my recommendation that the data collected by the interim committee for a Cooperative School District be revised, publicized, and presented at the 1958 school district meeting of the respective towns.

Respectfully submitted
RAMON F. MARTINEAU
Superintendent of Schools

REPORT OF THE PRINCIPAL, OF THE ELEMENTARY SCHOOLS OF MILTON

Milton Grammar Milton Mills Grammar

To the Superintendent of Schools, the School Board, and the Citizens of Milton:

It is with pleasure that I herewith submit my first annual report:

TEACHER ASSIGNMENTS AND PUPIL ENROLLMENT

	Teacher	Grade		Number of Pupils (as of Jan. 15, 1957)	
Milton					
	Mrs. Julin	1		26	
	Mrs. Chase	2		21	
	Miss Lambert	3	22		
		4	11	33	
	Miss McGregor	4	11		
		5	20	31	
	Mrs. Foster	6	18		
		7	19	37	
	Total, Milton				148
Milton Mills					
	Mrs. Lowd	1	6		
		2	11		
		3	6	23	
	Mrs. Kimball	4	3		
		5	5		
		6	6		
		7	5	19	
	Total, Milton Mills				42
	Total, both schools, Grades 1-7				190

INSTRUCTION. There has been little change in the curriculum of the school this year. It would seem to me that the areas of greatest strength are Reading and the Language Arts with room for improvement in the areas of Science and Penmanship. Following the resignation of Joseph Malfa as teacher of music an arrangement has been made which enables Mrs. Foster to teach music two periods per week in the High School and an average of one period in the Milton Grammar School. She directed an excellent Christmas Musical program in December and plans are being made for another program in the spring. Mr. Folsom teaches Arithmetic to Grades 6 and 7 and is responsible for the administration of the Hot Lunch Funds. The remainder of his time is used for general administration and supervision. Supervisory visits have been made each week to the Milton Mills school and when necessary more frequently. The teachers from both schools meet once each month to discuss problems of mutual concern and to provide for continuous progress in the programs of the schools. The testing program of former years is being continued. The first grade is given a Reading Readiness Test early in the fall. In the spring a battery of achievement tests is given to all pupils and at sometime during the year a mental maturity test is given to selected grades. Although there are many uses made of these tests results the most valuable is diagnostic, in which the teachers critically evaluate the results to determine what areas of learning need more attention, both individually and as a class.

PERSONNEL. The interest and cooperation exhibited by your teachers in their work is outstanding. All of the teachers are members of the local, state, and national educational associations and the principal is also a member of the local, state, and national Elementary Principals organizations. This indication of interest in their profession is far above that of the average systems of the state.

Mrs. Kimball attended the Summer Session at Plymouth Teachers College and Mr. Folsom attended the Summer Session at the University of New Hampshire. He also attended an Extension Course at Rochester during the fall semester. Mrs.

Kimball and Mrs. Lowd attended a three day work-shop at Barrington this fall.

SCHOOL PLANT. During the past year extensive repairs have been made to the roof of the Milton School and new doors installed at the front entrance. During the summer a new linoleum was laid in the dining area of the Hot Lunch Room. Mr. Moody continues to have as great an interest in the school as any member of the staff and his assistance in the Hot Lunch Program is greatly appreciated. During the summer the walk at the Milton Mills school was covered with hot-top by the town highway department and their assistance in clearing the long walk this winter has been a big help. Mr. Longley continues to do an excellent job of keeping an old building clean.

PLAYGROUND. The much enlarged play area at Milton is being put to ever increasing use. All pupils can now play outside at the same time without friction between different ages with the inherent danger of smaller children being hurt. The playground equipment installed in the fall is very popuar and is in continual use during play periods. As the newly filled areas become settled and firm we can all look forward to the time when the beauty of the school surroundings can be improved by the return of grass to the area in front of the building.

AUDIO-VISUAL. With the cooperation of parents and the PTA a new Filmstrip projector has been added to the Milton Mills School and soon thirty filmstrips will be added to our growing filmstrip library. Mr. Martineau, using money from the Milton Teacher's Fund, was able to purchase two, 3-speed record players. We were fortunate to be able to borrow the High School tape recorder and Mrs. Foster used it in rehearsals and in her reading classes. Mr. Folsom used a tape made at UNH in his Grade 7 Arithmetic class with good results.

HOT LUNCH PROGRAM. An average of 114 children and teachers are eating the Hot lunch each day. Mrs.

Stowe, ably assisted by Mrs. Cheney, continues to do the menu planning and the buying for the program.

In conclusion I would like to express the appreciation of the Grammar School staff to Mr. Foster and his staff for their cooperation in placing at our disposal the facilities of the High School. Their interest and assistance has been a very real help to the success of many of our projects. It is my earnest desire to furnish leadership and support for our teachers which will provide an atmosphere of security, within which both teachers and pupils may have experiences calculated to fit them for the life situations into which they are growing. The support which I have had as I work towards this goal from the Superintendent, the teachers, the School Board and the parents and citizens of Milton has been an ever present source of encouragement. I appreciate it very much.

Respectfully submitted,

JOHN B. FOLSOM,

Principal

REPORT OF THE SCHOOL NURSE

To the Superintendent of Schools, the School Board and Citizens of Milton:

I herewith submit my annual report as school nurse.

During the fall months the routine health services were conducted in the elementary schools. At Nute High School all pupils participating in sports were given a physical examination by Dr. Lord, the school physician.

The communicable diseases for the year consisted of a few cases of chicken-pox, one whooping cough, and one scarletina.

A Salk Polio Vaccine Clinic was held at the Parish House on February 14, 1956. All children between the ages of one and fifteen years were asked to participate and one hundred and seventy-five children received their first innoculation.

During March, April and May the Department of Health conducted a Dental Hygiene and Sodium Fluoride Service. This consisted of cleaning the teeth plus four applications of sodium fluoride. One hundred and fifty children took advantage of this wonderful opportunity and children needing dental correction were advised to contact their dentist. It was gratifying to note that many of the children followed this suggestion.

I wish to thank the Superintendent of Schools, the School Board, teachers and parents for their support and co-operation during the past year.

Respectfully submitted,

ESTHER POLAND, R. N.,

School Nurse.

REPORT OF PRINCIPAL OF NUTE HIGH SCHOOL

To the Superintendent of Schools and Members of the Board of Trustees:

Nute High School opened its sixty-sixth year on September 5, 1956 with an enrollment of one hundred and twenty-eight. Transfers, withdrawals and new registrations have maintained the same enrollment divided as follows: Seniors, 12; Juniors, 25; Sophomores, 30; Freshmen, 36; Grade Eight, 21.

Only one change has been made in the teaching staff this year. Mrs. Natalie Prentice has replaced Miss Kathryn White in the Home Economics department.

The Lunch Program is again running very efficiently and smoothly under the direction of Mrs. Grace Hayes and Mrs. Katherine Boyd, whom we were fortunate to secure to replace Mr. and Mrs. Fred Harriman.

The Home Economics department has completed many projects, among which were the complete cleaning and redecorating of the Home Economics Room, and the preparation of a Christmas box for a family of six.

The Chemistry class is planning an education trip to the University of New Hampshire. This trip is designed to instill more understanding and interest in the sciences.

Again the English Classes are using Practical English, plus the Readers' Digest, and availing themselves of the many books furnished by the Bookmobile. The use of the tape recorder in all English and French classes stimulates interest and better understanding.

The Nute *Flash,* our duplicated school paper, is being continued with Miss Goodwin and Mr. Whipple as advisers. More pupils are contributing to the literary section this year and the quality of work is improving. The pupils on the staff have assumed more responsibility in planning and arranging the paper.

The Junior Business Training class is planning a field trip to Rochester to visit the telephone office and bank. This annual trip is not only educational but has influenced many girls in their choice of a career.

In Trades and Industries, which is being replaced next year by Industrial Arts, the usual projects, repairs, and refinishings have been accomplished. In the spring the big project of erecting a garage will be undertaken.

Extensive use of educational films has made many classes more interesting. The only cost we incur is for postage, as the films have no rental fee.

The Iowa Tests of Educational Development have been given to all students in grades nine through twelve. This group of tests determine the aptitudes of the individual in the fields of Science, English, Social Studies, and Mathematics. Results of these tests are expected in March.

During American Education Week, parents were invited to visit classes and an evening was designated when parents were welcomed to visit and confer with the teachers. We regret that so few availed themselves of this opportunity.

We are very grateful to the following:

1. The American Legion Auxilary for sending Mary Swett to Girls' State.
2. The Milton Parent Teachers Association for sending Nancy Gilman to the Conservation camp.
3. To the benefactor who made possible a new award to be presented to the senior most proficient in Mathematics.

The continued support and cordial treatment extended by the superintendent, trustees, teachers, and townspeople are greatly appreciated.

Respectfully submitted,

WALTER J. FOSTER,
Principal.

SCHOOL CALENDAR, 1957-58

1957

September 3—Tuesday. All Teachers of Union 44 meet at the Barrington School at 10:00 a.m.

September 4—School open for pupils

October 17-18—Teachers' Convention—no school

November 11—Veterans Day—no school
